AHMED OSAMA

IT & AI Automation Specialist | Golden Visa Holder

Ras Al Khaimah, UAE | +971521133465 | F.ahmed30@yahoo.com

PROFESSIONAL SUMMARY

Computer Science professional specializing in Artificial Intelligence, with hands-on experience in IT support, workflow automation, and AI-driven solutions. Skilled in technical problem-solving, process improvement, and collaborating across departments to implement effective solutions. Reduced proposal review time by 75% through automation and delivered AI training across six departments.

PROFESSIONAL EXPERIENCE

IT Support | AI Automation & Process Improvement

R.M. Team FZE (RMTeam International) | Ras Al Khaimah, UAE | Mar 2025 - Aug 2026

- Reduced proposal and bid review time by 75% with an AI-assisted workflow, CRM integration, and human oversight.
- Automated security monitoring across 15+ Microsoft 365 controls using n8n, Microsoft Graph API, and Entra ID.
- Developed a RAG assistant to retrieve company policies and provide answers with source citations.
- Automated IT subscription renewal checks and daily alerts using n8n, SharePoint, Excel, and Outlook.
- Designed and delivered role-specific AI training to employees across six departments.

Web Development Intern | Webology

Dubai, UAE | Oct 2023 - Jan 2024

- Improved page-load performance by 30% through a website front-end rebuild.
- Implemented role-based access controls and data-isolation policies to limit cross-system access.
- Developed a responsible-use and privacy framework adopted as a company-wide internal policy.

Customer Service Representative | Namshi.com

Dubai, UAE | Jun 2020 - Aug 2021

- Addressed customer complaints and communicated practical resolutions in a fast-paced customer service environment.
